

SPIS TREŚCI

nr 1(1)A

5	Introduction
13	Water in the city of the future / J. Gyurkovich
31	The city of the future I would not like to live in / S. Gzell
47	The mode of pastoral in urban development / M. Harnack
57	Recycling industrial heritage / K. Hofert Feix
69	The impact of great cultural projects on the transformation of urban water-side spaces / A. Januchta-Szostak, A. Biedermann
89	Cities and wars of the future - part II / A. Jasiński
105	The time and the space of the city / A.A. Kantarek
127	Changeability or stability: reflections on the issue of the modern city as shown by the Polish film picture after the mid-20 th century / A. Nadolny
143	Functional urban area as the city of the future / A. Noworól
159	Ideal future city in relation to urban tendencies in Poland / Z.W. Paszkowski
179	Potentials and challenges of polycentric city-regions: a case-study of Frankfurt Rhine-Main / M. Peterek, T. Bürklin
191	The form of urban structures — constancy or changeability, rigour or freedom? / G. Schneider-Skalska
209	Twenty-first century housing architecture. Development / W. Seruga
241	Stone on paper. Architects manifesting on their cities / A. Sotoca
255	Existent and nonexistent cities / E. Węclawowicz-Gyurkovich

5	Introduction
13	Poznan - 19 th c. Postindustrial areas and buildings in the city centre / T. Bardzińska-Bonenberg
33	The future of the city. Between science and creative vision / W. Bonenberg
51	Vertical farms in the cities of the future / M. Dróżdż-Szczybura
67	Ideas of city and urban transformations / A. Franchini
81	Adaptable city / A. Franta
103	Forms of inhabitants' participation in the shaping of their places of residence. The idea, specificity, problems / M. Jagieło-Kowalczyk
121	Human-values-beauty city-architect-composition / W. Kosiński
195	Do employment subcenters structure mobility patterns and land consumption? A global analysis for the main metropolitan areas in Spain / C. Marmolejo Durate, M. Tornés Fernández
215	Cities of the future according to urban history / M. Motak
235	Future cities: design opportunities for the improvement of air quality / E. Naboni, E. Woźniak-Szpakiewicz, Ch. Doray
251	A decrease in the "attractiveness" of urban space in medium size towns - selected spatial and social aspects / K. Paprzyca
267	The role of green in spatial composition of contemporary urban solutions / K. Pluta
291	Energy-efficient technologies in the formation of the cities of the future / S. Wehle-Strzelecka
307	Polish cities of the future - trends, concepts, implementations / E. Węclawowicz-Bilska
327	Parks, green areas and landscape in view of new concepts related to the shaping of structure and form of a city / A. Zachariasz

5	Introduction
7	Noli Tangere - on touch / M. Bogdanowska
25	Contemporary architecture of Lebanon / K. Butelski
35	13 th Istanbul Biennial / E. Gołogórska-Kucia
57	Modern architecture of public use in New York City / T. Kapecki
71	Organization of public space in ancient cities. Case of Pula / K. Kołodziejczyk
95	House of Stone: the loftiness of a contemporary monument / T. Kozłowski
111	Remarks on the directions of the spatial development of baroque Rome / D. Kuśnierz-Krupa
131	Shaping of buildings aesthetics and function with the façade precast concrete elements exemplified by the contemporary architecture in Barcelona and Madrid / P. Mika
147	Close-to nature housing - Austrian examples / S. Wehle-Strzelecka
161	The role of glazing in buildings at the historical centre of Rome - selected examples / Ł. Wesołowski
173	Methods of locating office functions exemplified by designs realized in London / K. Zawada-Pęgiel
191	Colour, light and texture in the perception of contemporary architecture / I. Zuziak

- 3 Green cities / **E. Węclawicz-Bilska**
- 19 Chances of improving urban spaces appeal on selected examples /
T. Bajwoluk
- 33 Remnants of water forms and facilities in the area of Kraków on a selected
example / **U. Nowacka-Rejzner**
- 45 Contemporary environs of watercourses in Szczyrk – the Silesian Beskids /
M. Łysień
- 55 Brzeźno – forgotten watering place of Trójmiasto / **M. Marx-Kozakiewicz**
- 61 The interwar spa resort Wisła – the degree of cultural environment
preservation / **A. Pawlak**
- 73 Salt treatment as an impulse for industrial towns' function change /
P. Langer
- 87 Spa resorts in the age of knowledge-based economy / **M. Wdowiarz-
Bilska**

**CONTEMPORARY STATUS OF HISTORIO GARDENS (VALUE
DETERMINATION OF GARDEN ARTWORKS AND THEIR PRESERVATION)**

5 Foreword

REFLECTIONS ABOUT GARDEN VALUES

- 9 On the value and valuation of gardens - on various aspects of gardens -
"the purest of human pleasures" / **A. Zachariasz**
- 35 Forgotten, neglected, disappearing... historic urban gardens /
K. Rozmarynowska
- 47 Historic gardens and quality of life. An outline with reference to heritage
gardens / **A. Staniewska**
- 61 Value determination of water systems in historic gardens as the foundation
of garden art works / **L. Ruban**
- 69 Cultural education, cultural ecology, landscape education and the
contemporary range of the historic garden (a pedagogical approach) /
J. Torowska
- 97 The technology of augmented reality - virtual reconstructions of landscape
architecture design / **J. Konopacki**
- 113 An analysis and assessment of the state of conservation of historic values
in historic garden and park estates / **M.T. Walerzak**
- 131 Utilization and preservation of historic gardens and the development of
garden tourism / **M. Czałczyńska-Podolska**

PROBLEMS OF PRESERVATION AND EXAMPLES OF REVALORIZATION

- 149 The concept of revalorisation of a historical residential estate - the palace
and park complex at Siemianice / **A. Rosada, M. Walerzak**
- 163 The garden complex of villa Rosea in Nałęczów - former elite prestige and
contemporary functions / **M. Milecka, E. Widelska**
- 179 The role of nature in historic garden from Turčianska Štiavnička /
M. Heinrichová
- 187 Preservation and restoration of greenery in historical cemeteries in
Slovakia / **D. Halajová, R. Kubišta**
- 193 Bringing southern England's gardens back to life / **K. Asanowicz**
- 209 Landscape park in Kliczków comparing to other silesian garden layouts of
Eduard Petzold / **A. Bieleń-Ratajczyk**
- 221 Historical man-made park landscapes in Wrocław / **B. Pierścioneł**
- 237 The historic city parks of Opole Silesia / **M.E. Adamska**
- 255 The state of preservation of historic parks and gardens and the reasons for
their degradation / **D. Sikora**
- 271 Residential and garden complexes in the municipality of Zabierzów -
history of changes, conservation, significance / **K. Hodor, G. Młyńska**

**CONTEMPORARY STATUS OF HISTORIC GARDENS (VALUE
DETERMINATION OF GARDEN ARTWORKS AND THEIR PRESERVATION)**

5 Foreword

THE DIVERSITY OF GARDEN ARTWORKS AND THEIR VALUES

- 9 Garden exhibitions as a special kind of garden - the leading value in the historical perspective in relation to the present / **K. Kimic**
- 25 Parks and gardens of military premises in the nineteenth-century central european military landscape - an attempt at a modern assessment / **W. Rymsza-Mazur**
- 43 Readability of historic green foundations in post-tsarist barracks in selected cities in north-eastern Poland / **D. Gawryluk**
- 57 Preserved monastic garden values based on selected areas and examples, Lublin province / **K. Pudelska, A. Mirosław**
- 71 Identifying the composition of the manor park in Wielgie with reference to the paintings of Jacek Malczewski / **B. Fortuna-Antoszkiewicz, J. Łukasziewicz**
- 89 Painting and graphic presentations of Izabela Lubomirska's garden in former Mokotów / **A. Szendi**
- 105 Urban Villas with gardens in Bielsko-Biała from the turn of the 20th century / **M. Sawicka**
- 119 The gardener's house in 19th century German architectural and landscape traditions / **K. Łakomy, A. Steuer-Jurek**
- 133 The gardener's house - the form, the value, the state of behaviour (on the example of buildings from the area of the former rejencja opolska) / **A. Steuer-Jurek, K. Łakomy**

NATURAL ASPECTS OF HISTORIC GARDEN VALUATION

- 149 Historic Rzeszów parks as a mainstay of precious invertebrates / **Z. Czerniakowski, T. Olbrycht**
- 157 The species richness of woody plants in Bratislava's historical landscape parks / **T. Reháčková**
- 165 Rosarium in I'Hay-les-Roses - testimony of the contemporary standing of rose gardens from the late 19th and early 20th century / **M. Jeleniewska**
- 189 Planting revitalization of the historical greenery in Łódź -the progressing problem of the confrontational neighbourhood in the 21st century / **B. Wycichowska**
- 205 Post-industrial parks - places of protection and revitalisation of industrial areas / **M.J. Latkowska**
- 219 Georadar research in historic greenery / **R. Kubišta, D. Halajova**
- 225 The principles of plant selection in gardens designed by Eduard Petzold (1815-1891) / **J. Jaworek**

**THE CONTEMPORARY STATUS OF HISTORICAL GARDENS CONSIDERED
BY YOUNG RESEARCHERS**

- 241 Chinese garden art - a living tradition / **M. Świącki, M.J. Latkowska**
- 257 The landscape value of the labour colony in Zabrze / **E. Waryś, K. Hodor**
- 271 The cultural and natural value of the calvary in Piekary Śląskie / **B. Łebzuch**

- 283 The contemporary significance of the Oliwa park and determination of its value as a work of garden art / **K. Porada**
- 295 Analysis of changes in A nineteenth-century landscape park on the example of the Oborskich palace complex in Mielec / **D. Kolisz**
- 309 Revalorization of a manor garden in the context of its relationships with the surrounding landscape based on the błędów palace-garden ensemble / **A. Misierewicz**
- 321 Contemporary status and practical functions of monastic gardens in the Old City of Krakow (district no. 1) / **I. Kluza, M. Wąsik**
- 333 The significance of greenery in the structure of old Kazimierz district in Kraków / **J. Klimek**
- 345 Greenery in the historic area of Maria Konopnicka square in Suwałki / **U. Interewicz**

- 3 Double-skin façades – the shaping of modern elevations – technology and materials / **J. Barnaś**
- 17 Durability of buildings and sustainable architecture / **W. Celadyn**
- 27 Modern living architecture in Astana / **R.U. Chekaeva, F.M. Cheakev**
- 33 Innovation in modern architecture Astana / **F.M. Cheakev**
- 39 Environmental Impact of Membrane and Foil Materials and Structures – Status Quo and Future Outlook / **J. Cremers**
- 53 Ventilated plinths of modern and modernized historic buildings / **B. Dziedzic**
- 65 School buildings in Gando. Burkina Faso / **T. Gaczol**
- 79 Wind technologist in building construction – problems and solutions / **A. Głuchowska**
- 85 Modern office buildings according to shell and core standard – design experience 1995–2013 / **A. Jasiński**
- 95 Burial Mound in Karniowice – a structure of the 21st century, part 1 / **M. Kamieniarz**
- 103 "Educating buildings" – learning sustainability through displayed design / **P. Kuczia**
- 111 From crystal palace to glass hall – new possibilities of well-known materials / **J. Kurek**
- 123 New building technologies in the context of revalorization of a historic building (on the example of conversion of an old dormitory into an administrative office / **D. Kuśnierz-Krupa**
- 133 Methodology of specification and design of public utility buildings to reach the maximum energy performance according to EPBD and EN 15232:2012 standard / **P. Kwasnowski, M. Fedorczyk-Cisak**
- 139 New methods and design tools as a basis for creating a sustainable built environment / **B. Majerska-Palubicka**
- 147 The technical, landscape and bioclimatic approach to the process of designing detached houses on the basis of Villarino de Sanabria, Zamora, Spain / **T. Malczyk, A. Jimenez Sayans**
- 155 Buildings in conservation areas in Cracow – technical and aesthetical solutions on example of building of st Padre Pio's works at Smoleńsk 4 Street / **M. Mełges, H. Mełges**
- 165 Beton – Concrete – the design of public spaces in terms of material and technology energy efficiency / **P. Mika**
- 175 Technical and technological factors in industrial architecture forms creation: historical review / **Y. Morozova**
- 183 New scopes of facades' design as a result of the application of optical filter technologies / **B. Konarzewska, L. Nyka**
- 193 The impact of green solutions on shaping the architecture of buildings / **I. Piebiak**
- 199 Suburbs and green energy / **A. Podhalański**
- 205 Optimizing energy consumption in the metropolis / **B. Podhalański**
- 211 Advanced technologies and revitalization of the single-family residential architecture from the Polish Socialism Period the examples of realizations / **E. Przesmycka, Z. Napieralska**
- 221 Superposition of facade in architecture in the beginning of the 21st century / **D. Radwański**
- 229 Avant-garde tendencies in the design and construction of contemporary islamic complex buildings in Kazakhstan / **S.S. Sadykova**

- 235 Formation of the detail of building skins – energy gains and loss. Threats /
B. Siedlecki
- 241 The impact of new airport passenger service technologies on the shaping
of terminal building landside areas / **M. Sitek**
- 249 Design and assembling problems on the example of Denver’s international
airport development and the possibility of solutions in design stage /
A. Szymańska-Stachura, M. Repelewicz
- 257 Technological aesthetics of modern facades / **J. Tymkiewicz**
- 265 The use of glass curtain walls as partitions with fire resistance in
residential buildings – case studies / **Ł. Wesółowski**
- 273 Technical and technological factors and social interaction as a priority in
shaping modern university facilities / **D. Winnicka-Jasłowska**

LANDSCAPING

- 5 Vertical garden / **M. Chudy**
- 11 The landscape plan for the Sleza River Park in Wrocław: new organizational and technical solutions / **A. Drapella-Hermansdorfer**
- 19 Technologies and innovations at the IBA and IGS exhibitions – Hamburg 2013 / **S. Kuc**
- 27 Three states of water: how technology makes "water" a construction material / **L. Ruban**

STRUCTURES

- 41 Reliability of glued timber roofs belonging to CC3 class consequences of failure / **T. Domański**
- 49 Deformational calculation method of bearing capability of fiber-concrete steel bending elements / **R. Kinash, V. Bilozir**
- 59 Analysis of factors that influence longevity and safety of the thin-walled concrete constructions / **R. Kinash, D. Gladyshev**
- 71 Designing of structural systems with application of principle of superposition / **J. Rębielak**
- 77 Determinants of shaping an architectural form and structure in wooden halls / **A. Sroka-Budzińska**
- 85 New Generation Cementitious Composites with fibres – properties and application / **T. Zych**
- 103 Selected issues of structure forming of the contemporary single and multi-curved roofs / **P. Żwirek**

BUILDING PHYSICS

- 113 A moisture transfer in external walls with natural stone cladding glued directly to thermal insulation layer / **A. Byrdy**
- 121 The hygrothermal aspects of forming the internal structure of the roof slope / **A. Chądryński**
- 129 Airtightness of the large panel buildings before and after thermal modernization / **J. Dębowski, K. Nowak, K. Nowak-Dziesko**
- 137 Airtightness of the large panel buildings before and after thermal modernization / **H. Garbalińska, M. Bochenek**
- 145 The influence of new material technology on acoustic treatment of modernized interiors / **T. Kamiński, R. Kinash, A. Pilch, J. Rubacha**
- 153 On rational design of low energy building external components / **T. Kisilewicz**
- 159 The impact of detail solutions in the wooden building structures on the thermal parameters of the enclosure / **D. Kram, K. Nowak**
- 169 Examination of a wall barrier containing phase change material in a climate chamber / **K. Nowak, A. Zastawna-Rumin**
- 179 Internal thermal insulation in the technical and architectural aspect / **B. Orlik-Koźdoń, M. Włodarczyk, T. Steidl**
- 189 Innovative timber construction systems in terms of design and structure physics solutions / **M. Radoń, G. Nowak**
- 199 The influence of glazing type, frame profiles shape and size of the window of the final value of window thermal transmittance U / **M. Rojewska-Warchał**
- 207 Phase change materials vs. internal temperature in a building / **A. Zastawna-Rumin**

3	Introduction
5	Architecture of the olympic games on the Thames – multifunctional sport and entertainment facilities / Janusz Barnaś
25	Academy of st. Luke in rome as a symbol of architectural schools / Andrzej Białkiewicz
41	Contemporary architecture of Lebanon / Kazimierz Butelski
57	Masonry structures in the context of sustainable development – two case studies: Scotland and Ireland / Renata A. Górska
71	Mutual relationship between the metamorphosis of social ties and the redevelopment of urban spaces. Selected European examples / Krzysztof Kwiatkowski
95	Architecture of the battlefields. A typology / Krzysztof Lenartowicz
151	Reflections on "new" Berlin – integration and transformation of the city / Magdalena Marx-Kozakiewicz
167	Hodoeporikon / Małgorzata Mizia
197	New public space in Berlin's green structure – Park am Gleisdreieck / Urszula Nowacka-Rejzner
217	North of Portugal and metropolitan Porto – drink it, or life in? / Bogusław Podhalański
239	Access to large outdoor expositions of architectural relicts / Zbigniew Wikłacz
255	European roots in South-African architecture and infrastructure of Stellenbosch / Lidia Żakowska
275	Frank Gehry's new museum in Paris / Paweł Żuk
287	Back to history / Maria J. Żychowska

- 3 Historic colour schemes in Silesian secular interiors / **Karolina Białobłocka**
- 19 "Urban labyrinths": the identity of cities and the creation of their images as tourist attractions. The case of the backyards and lanes of Lublin, Wrocław and Katowice / **Dagmara Chylińska, Gerard Kosmala**
- 47 Green wall technology / **Maria Kmiec**
- 61 Trams as tools of urban transformation in french cities / **Zbigniew Konopacki-Maciuk**
- 81 Complexity as an indicator of aesthetic quality of landscape / **Iwona Orzechowska-Szajda**
- 95 Narrativeness as a characteristic feature of modern stained glass art in modernist and postmodernist interiors of the churches in Krakow / **Danuta Szyszko**
- 111 A house and a territory. Ideas, values, strategies / **Zbigniew K. Zuziak**
